LB 132A, 150

SENATOR WEHRBEIN: Mr. Speaker, members. I concur with the request that Senator Bohlke has raised. Per our rules, this was necessary. The amendment was passed the other day asking the Auditor to do this. I think this is a very reasonable amount. I think it should be able to be done on that...under this amount of money. I expect it to be done. The body adopted the amendment. Per our rules, an A bill must follow. This is our attempt to bring the body's attention to the amount of money, of \$32,000, that is necessary to fund the result of that amendment, and I concur with that and urge the adoption of the amendment.

SPEAKER WITHEM: Senator Bohlke, to close. Closing is waived. The question is the adoption of amendment 2660 to LB 132A. All in favor vote aye. Opposed vote nay. Record.

CLERK: 26 ayes, 0 nays on adoption of Senator Bohlke's amendment.

SPEAKER WITHEM: Senator Bohlke, would you move to advance LB 132A?

SENATOR BOHLKE: Yes, Mr. Speaker. I move that we advance LB 132A to E & R for engrossing.

SPEAKER WITHEM: You've heard the motion. All of those in favor say aye. Opposed. It is readvanced. Yeah, now we will return to LB...consideration of LB 150, which was passed over earlier in the day. Mr. Clerk, can you bring us up to date on where we are?

CLERK: Mr. President, 150. The next amendment I have to the bill is by Senator Dwite Pedersen. Senator, I have AM2626 in front of me.

SPEAKER WITHEM: Senator Pedersen.

SENATOR DW. PEDERSEN: Mr. Speaker, members of the Legislature. I have three amendments filed on this bill, and I'll tell you just basically what they were about and what I'm going to do with them. One was to release...to start a new program which I will turn into...add into one of the interim studies we already
